Car Park Mobile Phone Payment System

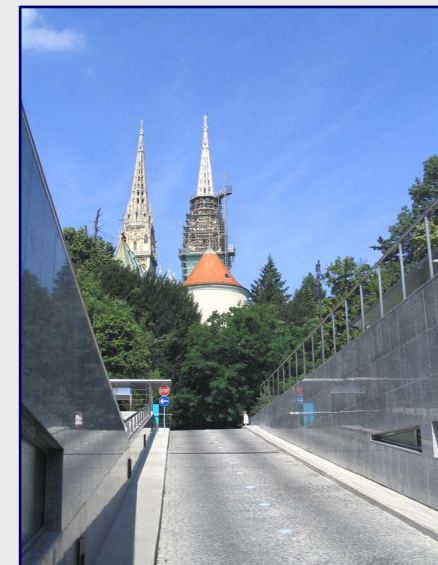

m-garage: Mobile Car Park Payment System

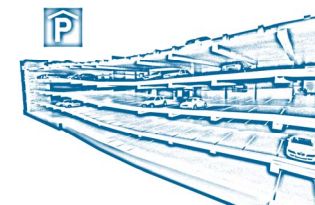

- ✓ m-garage paying system uses all advantages of m-parking
- ✓ entering into Car Park, user gets parking ticket with unique serial number
- ✓ before exiting from Car Park, user sends SMS with serial number of parking ticket to m-garage number 8080
- ✓ m-garage center sends SMS to user – “confirmation” for paid parking
- ✓ after receiving confirmation, user has 15 minutes for leaving Car Park
- ✓ for exiting from Car Park, user has to put parking ticket into exiting park-machine
- ✓ if user doesn't exit in 15 minutes, m-garage system will send another SMS with information about expiration of exiting time
