

**PARKING PAID AT NEWSPAPER STANDS (KIOSKS)**

Single parking tickets can be purchased at newspaper stands (kiosks) for every zone.

Mark the **time of the commencement** of parking.

Place the parking ticket on the dashboard in a visible spot.

**PARKING PAID AT AUTOMATIC TICKET DISPENSERS**

Parking tickets can be purchased at automatic parking dispensers in the near vicinity of parking zones.

Insert coins, press the time you intend to park and wait for your ticket to appear in the dispenser slot. The ticket will note the **expiry time**.

Place the parking ticket on the dashboard in a visible spot.

**PARKING PAID BY CHIP TOKENS**

You can pay for your parking tickets at Automatic parking dispensers with Chip Tokens purchased in the Sales Office of Zagrebparking, Ilica 45.

Insert token into the dispenser. Set the time you intend to park by pressing the CHIP TOKEN as many times as the hours you intend to remain in the parking. Wait for your parking ticket to appear in the dispenser slot.

Your Chip Token can be renewed. Its maximum value is 200HRK.

Place the parking ticket on the dashboard in a visible spot.

**PARKING PAID BY MOBILE PHONE (Vip-net and T-Mobile only)**

Send an SMS message with your registration plate number (without spaces or symbols) to the **m-parking number** for the relevant parking zone.

- ZONE 1** 101
- ZONE 2** 102
- ZONE 3** 103

Confirmation of your parking details will arrive as an SMS message to your mobile phone.

One SMS message is worth 1 hour of parking, extended parking depends on the limit relevant to that particular zone.

A reminder of the expiry time will be sent as an SMS message to the user's mobile phone 5-10 min prior to expiry. The user can extend the parking time by sending another SMS message.
